

FINANCIAL POLICY
for Grant D. Ringler D.D.S.

We strive to keep our fees fair and within the range charged in the Hutchinson area.

We acknowledge that you can receive "cheaper" dentistry, however, we do not feel you can find higher quality or better service any where.

Patients who have dental insurance, we would be happy to file those claims for you. Please bring a copy of your dental card and any information you feel may be helpful. We will call your insurance carrier on your first visit to verify benefits and eligibility. We cannot be responsible for exclusions that are not disclosed or incorrect information given to us. We do expect all copayments or amounts insurance is not **expected** to pay, to be paid in full at each appointment. **Any portion not paid by insurance within 90 days, will become the responsibility of the patient.**

Patients without dental insurance are expected to pay for all services, in full, at the time of their appointment. Payment may be paid with cash, check, VISA, Mastercard, Discover or American Express.

If you ever have any questions about our fees or the status of your account, please feel free to contact us.

I _____ understand I am financially responsible for **all** charges whether paid by insurance or not.
